

Talleres Isual es una empresa dedicada a la fornitura y a la fabricación de joyería por estampación, que se funda en Córdoba en 1963.
Su larga trayectoria se ha caracterizado por un diseño propio, la calidad en la elaboración y terminación de todos sus productos, así como por un servicio personalizado.
Talleres Isual cuenta con una plantilla de profesionales y amplias instalaciones que permiten ofrecer al cliente gran variedad de productos como todo tipo de fornituras, monturas para piedra y perlas, engastes, colgantes, joyería infantil, sellos, etc. Realizados en oro de cualquier kilataje, así como en plata.
En la actualidad tanto su fundador D. Pedro Álvarez Luque como sus hijos, trabajan día a día con entusiasmo para seguir ofreciendo un producto de calidad basado en la tradición e innovación. Entre sus proyectos más inmediatos se encuentra la progresiva internacionalización de la empresa y actualmente nuestras instalaciones se encuentran en el Parque Joyero de Córdoba.
